

PUBLIC PREVIEW · DENVER REGIONAL COUNCIL OF GOVERNMENTS

Power Ahead Colorado heat pump rebate

The Denver-region contractor playbook for reserving a flat cold-climate heat pump rebate · Existing-building retrofits inside the DRCOG boundary

\$1,500 flat

PER QUALIFYING COLD-CLIMATE AIR-SOURCE HEAT PUMP

A participating contractor applies before installation; only written preapproval reserves the offer.

WORTH

\$1,500 flat

Per qualifying ducted or ductless cold-climate air-source heat pump.

WHO

Existing buildings

Eligible retrofits inside the current DRCOG program boundary.

DEADLINE

Before installation

A participating contractor submits; written preapproval reserves funds for 90 days.

PROOF

Project records

Keep the approval, equipment, installation, and final-submission file together.

01 **CHECK**
Address + offer
Confirm the territory, retrofit, contractor, and equipment category.

02 **QUOTE**
Show it conditionally
Do not treat likely eligibility as reserved money.

03 **INSTALL**
Follow the approval
Keep the installed scope aligned with the written preapproval.

04 **SUBMIT**
Finish the program file
Send the current final package for program review.

PUBLIC FIELD PREVIEW

Enough to spot the opportunity. Technical thresholds, estimate math, and the claim-saving closeout playbook are available to active Resolv customers.

THE THREE-PART SCREEN

BEFORE YOU QUOTE

TERRITORY **01**
Inside the DRCOG boundary
Use the installation address and current member-government boundary; a Denver-metro label alone is not enough.

BUILDING **02**
Existing retrofit only
New construction is ineligible. Public/common multifamily spaces do not qualify under this offer.

EQUIPMENT **03**
Cold-climate air-source heat pump
Ducted or ductless, installed by a participating contractor; exact technical gates are in the full guide.

INSIDE THE FULL GUIDE

ONE CLICK AFTER SIGN-IN

EQUIPMENT
Exact cold-climate thresholds
Ducted, ductless, low-ambient, and qualified-product-list gates in one place.

ACTIVE CUSTOMER

PREAPPROVAL
The 90-day reservation handoff
The language and operating steps that keep a conditional estimate from becoming a promise.

ACTIVE CUSTOMER

PROJECT FILE
Design, permit, and closeout checklist
The exact technical, equipment, install, and final-review records your office protects.

ACTIVE CUSTOMER

STACKING
Allowed combinations + hard exclusions
Which other offers may combine and where the program caps payment.

ACTIVE CUSTOMER

Active customers get the complete field guide instantly
